Reasons for comment:	
Comments:	I am concerned about the location of the new garage proposed for the current parking/bin area of the car park and access to the entrance to the cottage at the rear. The garage proposed will take up a large area of the car park which is used for residents and those using the Cobham Community stores. I also cannot see how the resident of 34 the street will be able to access the entrance ; I am concerned that customers of the Cobham Community Store will be unable to park in the car psrk .

Kind regards
