Application - GB/20250003

Location - B Beautiful, 12 School Lane, Higham, Rochester Kent

Proposal - Retention of the siting of InPost Parcel Locker

Thank you for your consultation in relation to the above planning application. I have the following comments to make with respect to highway matters :-

The application proposes the retention of the siting of the InPost Locker, as the locker has been in situ since October 2024, is the applicant able to provide data on the usage of the locker, and the peak times of use, as well as courier collection and deliveries.

I note that there are parking spaces to the front of the retail shops and 'keep clear' markings next to the locker

I look forward to further information regarding the locker usage being submitted to assist me in determining the application further.

Yours faithfully

Director of Highways & Transportation
