Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to strongly object to yet another application for planning permission for a travellers site on this plot of green belt land in White Post Lane. Planning has already been declined on the land and the travellers are just completely ignoring the restrictions and adding more and more unauthorised caravans on the site. White Post Lane is a small narrow lane with a small number of passing places it is but suitable for caravans to use. Many of our historic trees have been demolished as these oversize caravans access the site. It is no longer safe for people to use the lane as it's so dangerous with speeding cars from the site and abuse from the unauthorised people on the site. The lane was a haven for walkers, cyclists and horse riders aiding people's mental health and desire to walk. Southern Water have already highlighted concerns over sewage and rubbish is building up and being burnt illegally. Gravesham Borough Council should have suitable sites for travellers which are equipped for the large mobile homes / caravans and amenities required. The green belt land in White Post Kane should not be used for this purpose.

Kind regards
