Dear Sirs

Re 1 Cheneys Cottages, Thong Lane, Shorne, Gravesend, DA12 4AA
Creation of ka parking area surfaced with porous tarmac and finished
with resin bound gravel.

We refer to the above planning application, your reference GR/2022/1108 and would respond as follows:

The Society notes the site is in an area within which Green Belt Policies apply and the Thong Conservation Area. In the Society's view the size of the proposed carpark is excessive for a three bedroom cottage and would have an adverse impact on the conservation area.

The Society notes that a similar application made under reference GR/2022/0586 was refused. The Society commented on that application that the parking area was too long and the current proposal is a similar length.

Yours faithfully

Mrs P A Lipplatt
Hon. Secretary
