

**SIGNIFICANT HEALTH AND SAFETY RISKS
(UNUSUAL AND DIFFICULT TO MANAGE ONLY)**
It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement.
In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

DO NOT SCALE OFF THIS DRAWING

This scheme is subject to town planning and all other necessary consents.

Dimensions, area and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies between the drawings and the actual site conditions shall be noted. Figured dimensions may only be taken from this drawing.

This drawing is to be read in conjunction with all relevant consultants' and/or specialists' drawings. Dimensions and any discrepancies or variations are to be reported to the architect before the affected work commences.

Magnetic media does not constitute contract documentation and updates of this date will occur. These files are current as of the date of issue. Your use of the content of these files is at your own risk. Reference should always be made to the hard copy which is superior to the digital format.

Any document produced by yourselves which contains part or all of this information is your responsibility. While Leslie Jones make every effort to ensure that it is scanned for viruses, we cannot guarantee that it does not contain any.
