Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We don't feel this application fits the term 'non material' as its a significant increase in size and height of a building which is already extremely large for the size of the plot. The raising of the garage roof to allow additional bedroom space plus additional windows will impact neighbours on both sides of the development. The height and length of the the extended roof will reduce light and privacy on neighbouring gardens particularly to the east.

Kind regards
