Dear Sirs

I am writing to formally object to the proposed McDonald's at 216 Wrotham Road. My concerns are:

School safety: This road is used by children for St.Georges School both secondary and primary as well as Wrotham Road infants.
Increased traffic at a drive-thru creates a major accident risk for pupils.

Traffic and Parking: Wrotham Road is already congested. Extra cars will cause gridlock and lead to customers parking in residential side streets.

Pollution and Litter: I am concerned about cooking smells, late night noise and litter blowing into Woodlands Park which is used by local families.

Health: Placing a fast food outlet so close to schools goes against health policies for children.

Please refuse this application to protect our local community.

Yours sincerely,
