Reasons for comment:

Comments:	<p>Top quality agricultural land ,like this ,should be retained as such to provide food for people ,and not be the easy option to line the pockets of greedy and unscrupulous developers .These people will try and present themselves as champions of the homeless ,their aim being to provide quality " affordable " homes for the underprivileged . Merely philanthropists seeking to contribute to society.</p> <p>As an 85 year old I am unlikely to be affected whatever the outcome of this application ,( and I am sure we all know what that outcome will be ) but I do feel it necessary to make my views known .</p> <p>I could provide you with a list of legitimate objections to the application ( the fact that the A227 and Green Lane are regularly gridlocked ,the infrastructure of Meopham cannot cope etc etc ) but we all know that this would be pointless.</p> <p>On the 10th March 2025 the Chief Executive of Richborough Estates ,Paul Campbell ,had a meeting at 10 Downing Street with ,amongst others ,Angela Rayner ,and it is of no surprise that it was shortly followed by a flurry of Planning Applications for Meopham Gravesham and Kent ,including the one now being considered.</p> <p>So I hereby register my objection to the application ,safe in the knowledge that [REDACTED] and his cronies will,at least ,be aware of the contempt in which they are held .</p>
