Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>As a [REDACTED] neighbour to this development who would be [REDACTED] by this development I object on the following points</p> <p>This is planned on Greenbelt land that has not been released from the Greenbelt boundary.</p> <p>The additional strain this would place on already overstretched services is a serious concern.</p> <p>Public transport is extremely limited in the area so cars are a necessity for most residents within the village. The weight of additional traffic using the already clogged A227, particularly with the addition of the lower Thames crossing is unmanageable.</p>

Kind regards
