Reasons for comment:	
Comments:	<p>This is greenbelt land which has not been released from the greenbelt boundary.</p> <p>High grade farmland providing food production</p> <p>Potential increase in population of Meopham by one third.</p> <p>Already have overstretched GP and the local hospital has issues parking and getting appointment.</p> <p>Dangerous access to 120 houses and potentially 240 cars and delivery and service vehicles.</p> <p>Access and building adjacent to Helen Allison School, an SEN school, pupils are highly sensitive and this development will cause alarm, stress and sensory overload. The school depends on a calm low noise environment and this will all negatively impact the wellbeing of vulnerable children.</p> <p>Longfield road is extremely narrow with residents and cars parked each side and highly congested during school start and finish times.</p>

Kind regards
