Reasons for comment:	
Comments:	<p>I strongly object to the proposed development south of Longfied Road.</p> <p>This would destroy greenbelt and increase urbanisation of rural Kent to the detriment of wildlife. Many acres of the best agricultural land in the village would be lost forever together with landscape of great value. The development would increase congestion on already crowded roads (it is not uncommon for a one mile journey through Meopham along the Wrotham Road to take half an hour) and increase the pressure on water supplies and drainage and would doubtless increase noise pollution and light pollution. And it would adversely affect the mental health of many existing residents.</p>

Kind regards
