Reasons for comment:	
Comments:	<p>I object to this proposed development at Norwood Lane for the following reasons.</p> <p>It would destroy greenbelt and increase urbanisation of rural Meopham to the detriment of wildlife. Many acres of the best agricultural land in the village would be lost together with valuable landscape. The development would increase congestion on already crowded roads - which will doubtless deteriorate with the opening of the Lower Thames Crossing. And it would increase the pressure on water supplies and drainage and would doubtless increase noise pollution and light pollution - and adversely affect the mental health of many existing residents.</p>

Kind regards
