Reasons for comment:	
Comments:	<p>I strongly object to this development going ahead due to the impact on local wildlife. There are known to be bats in the local woodlands and other rare species of birds.</p> <p>The impact of over 100 more cars joining the already overused A227 would impact greatly. The A227 has very few points where you can turn off and when there is any kind of accident or roadworks it already causes chaos in the local area.</p> <p>The development is some 3 miles from the nearest station meaning that most households will be using more than one car daily</p>

Kind regards
