| Reasons for comment: |  |
| Comments:            | Green Belt land must not be allowed to be rebranded and developed on. The green belt was designated to prevent urban sprawl. The A227 is not sufficient to cope with the extra volume of traffic that will be created from 100 four bedroom houses. There is little to no public transport in this area meaning hundreds more cars daily pouring onto a road that is already over subscribed |

Kind regards
