Reasons for comment:	
Comments:	<p>I wish to object to give permission for 100+ houses to be built at Blackthorn Farm, Culverstone. There are a number of aspects to this proposal that seems to me to be excellent reasons for permission to be refused.</p> <p>Environmentally the loss of habitat and such always outweigh what is dangerous to the welfare of animals and the human population in and around Meopham. In addition to the environment objections, the additional traffic that comes with any development raises issues, safety and pollution being just two of those issues. I wish to be kept informed of the situation as I have great grandchildren that will absolutely be affected by these proposals.</p>

Kind regards
