Reasons for comment:	
Comments:	<p>I live 10mins walk from where Blackthorn farm and the roads around here are always busy. It is almost impossible to cross the road between Costcutter and the petrol station without having to run.</p> <p>Many HGV vehicles and farm vehicles use this road and being narrow in many places results in many near crashes and some actual clashes where wing mirrors get broken.</p> <p>When parents take & collect their children from all three schools along this stretch of the A227 they park on both sides of the road almost creating a single path for vehicles in the middle.</p> <p>Shopping at Camer parade is almost impossible as you can rarely get a parking spot.</p> <p>It takes me over a week to get a GP appointment and as i have many health issues, this is already far from acceptable. Increasing the local population would cause increased pressure on all local ammenities/facilities</p>

Kind regards
