Reasons for comment:	
Comments:	<p>I object to this proposed development on the basis that this is building on Green Belt when there are other viable non Green belt options available for extra housing in this general area.</p> <p>I also object on the basis a development of this nature will just further add to an already overloaded local road system with the A227 being a main arterial road that is continuously subject to gridlock due to traffic works as well as the day to day school run periods all along its length.</p> <p>I further object to this development as it will add yet more strain on the already overloaded local infrastructure with school places and availability of Doctor Surgery appointments severely stretched.</p>

Kind regards
