Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this development on these grounds:</p> <p>The level of traffic already on Wrotham Road is high, often with queues during peak hours and during consistent road works. To add more traffic to what is meant to be a village, will cause gridlock and add to the air pollution.</p> <p>Adding to the level of traffic will increase the weight load, to a road that is already susceptible to flooding and sink holes.</p> <p>Adding a new development risks merging two villages, Meopham and Culverstone.</p> <p>The land has not been built on before, therefore does not count as grey belt.</p>

Kind regards
