Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Already local small roads get packed with non resident parked cars during drop off and pick up for school, i.e. culverstone primary and meopham secondary. Wrotham Road is already busy with many cars and lorries speeding and often used as a cut through to motorway. The infrastructure is not in place to cater for more residents ie doctors, local shops and schools. At most times you cannot park at camer parade or fir chemist further along. Historical wooded area would be destroyed.

Kind regards
