Reasons for comment:	
Comments:	<p>The A227 has got busier and busier over the years with larger vehicles. Fatalities and serious injuries are becoming more frequent and to add more vehicles in irresponsible.</p> <p>The utilities are already stretched with south east water having to deal with multiple repairs just over the last few weeks. These roadworks are becoming a regular occurrence, sometimes taking 1 hr to travel 2 miles.</p> <p>Schools, doctors, dentists etc are already running at full capacity in the area and adding further pressure on these services is unnecessary for profit.</p> <p>Culverstone in general is a country orientated area and to add multiple properties of this nature will have a severe impact on loss of trees and wildlife.</p>

Kind regards
