Reasons for comment:	
Comments:	<p>The A227 can not with stand any further volumes of traffic on it and I fear for of the safety of using the surrounding lanes at busy times.</p> <p>The impact it will have on the local green belt area and the many wildlife species living in it.</p> <p>This area is currently a rural village and this development is not in keeping with the character of the local area.</p> <p>The carbon emissions and air pollution of another 200 vehicles will bring with them and the lack of road infrastructure to cope with them.</p>

Kind regards
