Reasons for comment:	
Comments:	<p>I understand this will be for 2 live- in children and up to 8 adults. Will these children change frequently or will this be their home until they grow up? If the latter, good! How many adults will be there most of the time? Will there be an office from which up to 8 adults will be working? if so this could affect parking on an already very congested road parking wise. Is it likely that it will grow to include more children to make it financially viable?</p>

Kind regards
