Reasons for comment:

Comments: I am writing to object to the granting of permission for the owner to convert the "study" and "lounge" of the property into two additional bedrooms. I feel the conversion would negatively affect residents of the area in the following ways: additional cars requiring parking space. HMO bin stores are already inadequate. Permission being granted will enable vermin to thrive, mess will be left, and pathways blocked, probably these bins will be put on to Coombe Road for collection; "Bicycle Stores", I believe will become a shed for motorbikes, and mopeds, leading to cars being parked on the pavement again on Coombe Road, creating danger for pedestrians, pollution in gardens, noise and damage to shared access routes.

Kind regards
