Reasons for comment:

Comments:	Gravesham Borough Council Please, Please leave our Greenbelt alone. This area and surrounding areas have done more than enough building of houses already, why do you want to approve more? How do you expect it to add more pressure to our already overstretched Hospitals/GP surgery, it's very difficult to get an appointment now/go down and look at the wait in the A&E why would you make it much worse than it already is ? Yes I have a massive list of reasons not to build more houses on our Greenbelt - more traffic/school spaces etc the list is endless. Do not continue to ruin this area
