Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object due to moving here for the lovely rural location, magnificent views, less traffic. All of these would be ruined by this new development. The loss of the fields would be devastating as these provide food security and a home for wildlife and animals. This sacrifice for unaffordable housing!!?? Definitely not worth it, this really wont benefit or echo the needs of us local people.

Kind regards
