Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We came to a quieter area to improve our mental health. This development will disturb the peace we wanted. It will cause busier roads, more junctions, traffic and will be loss of our valuable greenbelt and natural habitats. The infrastructure and public transport is already a problem, this will be under more strain. This development is not in the interests of local people and is not what we want or need.

Kind regards
