Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm appalled at the thought of 164 houses being built in our area. How on earth are the local services meant to cope with the influx of more families needing doctors dentists schools. We cannot cope now. Schools are over prescribed. Trying to get a doctor's appointment when needed is nearly impossible. I am [REDACTED] years old [REDACTED] and not able to get an appointment for 3 days . Please stop this madness. I paid a premium to buy my [REDACTED] in istead rise. Expecting a rural community with green fields in a quiet location. I may as well have stayed [REDACTED] where I was living .

Kind regards
