Client

Roy Turner

Embankment Marina Albion Parade Gravesend DA12 2RN

Dear Sir/Madam

We would like to apply for planning permission for our client Roy Turner

Who has a large Willow tree in the Gravesend Conservation area

This Willow tree has become very overgrown He wishes to remove 3 of limbs of the Willow tree back to its source

The tree is currently overhanging the car parking area and the public footpath please see plans submitted

The Willow tree is causing lots of foliage to fall in these areas and is a potential hazard to the pedestrians using the footpath, vehicles being parked in the parking area and also the Marina itself

In my opinion the Willow tree needs this work to be carried out for the safety of the public and property

Kind regards

Charlie stone (director)
