Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on the grounds of light pollution in a residential area and causing disruption to sleep for the families who live opposite as well as the disruption this could cause to nature and animals living in the park next door. Lights could also cause distraction to drivers and lead to a potential increase in traffic incidents on Wrotham Road. The lights will also cause house prices opposite to decrease impacting families who live there and want to move away.

Kind regards
