I wish to **object** to planning application number **20260649** for the reasons stated below:

With extra people living on the estate it will be difficult to make an appointment for the doctor. For every extra home, it could be 2 extra cars. Can the utilities support the extra houses. Why take the green fields to build homes when they have not been needed for many years. The local shops on the estate has a car park, which is always full now.
