I wish to **object** to planning application number **20260649** for the reasons stated below:

There are too many houses being built in this area, and the roads can't cope with it.

Not enough hospitals in this area, to cope with extra people or surgeries.

Public transport very poor.

Also can schools cope with extra children.

Also the county has suffered water shortage and we don't want this to occur here.

Crematorium isn't particularly busy here, but it could be with the increase of people.
