I wish to object to planning application number 20260649 for the reasons stated below:

* Uncertainty regarding utilities/lack of water, electricity, etc
This is agricultural land it is essential/vital for food security
More traffic/cars causing bad air pollution
Doctors surgery at full capacity already. DVH cannot cope
Not enough places in local school
Lack of public transport
Green belt is for mld life which is essential & cannot be replaced
This plan will in no way benefit or reflect the needs
of the local people it will only be detrimental
* other areas in Kent are constantly being left
without water supply which is essential
