Application Reference: 20260649

Case Officer: Rebecca Harrison

Location: Land North Of The Drove Way, Istead Rise, Gravesend, Kent

Proposal: Development for up to 100 residential dwellings (Class C3), including the formation of new accesses from The Drove Way.

I wish to **object** to planning application number **20260649** for the reasons stated below:

Building on this site a proposed 100 houses will cause major disruption to the occupiers of the Drove Way with large lorries passing close by to the houses with roads which are already in a state of disrepair. It will put more pressure on the hospitals & doctors surgeries. The infrastructure will not take further pressure as there is no local public transport meaning more cars/vans on a heavily populated area which is car dependent. These houses are inappropriate to the size of Istead Rise with added pressure on water supplies. This is a greenbelt agricultural land which should not be built
