I wish to object to planning application number 20260649 for the reasons stated below:

- Increased traffic / roads not suitable, & already Dorman Rd. over crowded
- Loss of valuable farm land. Need to be sold sufficient in our precarious political world.
- Current infrastructure unable to deal with additional housing.
- No walkways to station - 1 1/2 miles distant.
- Inconvenient shops / parking
- Closed registers at doctors' surgery.
- No extra school places available.
- Loss of valuable wild life.

This type of development should be on one of many brownfield sites within the borough. 40 of these lying empty & unused, & creating eyesores. Need for housing, but in the right place for both new & existing residents.
