I wish to **object** to planning application number **20260649** for the reasons stated below:

My Concerns Are: The Village Infrastructure will not be sufficient for more & more houses.

Expansion will change the character of the village. Taking away Green belt site & putting pressure on the small roads we have. Traffic Congestion throughout the village & surrounding areas. We already have uneven pavements, Potholes & cracks. Lots of debris in the winter months. Schools & hospital will be under more pressure. Will the hospital & car park be expanding to cater for more people.

More homes will impact the Water & Sewage Services.
