I wish to **object** to planning application number **20260649** for the reasons stated below:

It is so sad we are building on our green spaces. The farmland is essential for food supplies. Greenbelt is being lost forever, there are plenty of brown sites that could be utilised.

The traffic congestion this would cause in Istead Rise would be bad. The roads are tight as it is and the lorries etc during the building would make things worse not to mention the extra cars that would then be here for the housing.

The pressure on local services such as doctors, hospitals and schools - they are already not fit for purpose.

You need a car to get round in Istead Rise - the local public transport is practically non-existent!
