I wish to object to planning application number 20260649 for the reasons stated below:

The Drove Way IS NOT A LARGE ENOUGH ROAD TO COPE WITH A 100+ extra cars. Also the construction traffic will be horrendous for the residents. I have just put up with 18 mths drilling and construction of the 8 Flats in Worcester Close. Enough is enough. You cannot get a doctors appointment as it is, and no way will the school be able to cope. Instead of using Green belt land use all the waste land in Gravesend. The Transport system here is almost non-existent, a very poor bus service and no train service.
