I wish to **object** to planning application number **20260649** for the reasons stated below:

If you go ahead with this plan, it will be absolutely ridiculous!! They have just completed the two storey flats in the Drove Way near the Drove. People move out to these rural areas to get away from all the noise & pollution to have a much better ~~life~~ ~~home~~ health & peaceful life. If we wanted to live in a town we would have done so!! The School cannot take any more pupils & the Dr's certainly cant. We still have a job to get an appointment now!! Don't take away every little bit of greenery that we have. We will be hemmed in here & accidents will certainly start to happen. Rebecca Harrison - go & build in your home area. See how you like it!!!
