I wish to object to planning application number 20260649 for the reasons stated below:

None - daily bus service.

Lack of Public transport - no train station & incredibly Ltd.
No safe walking or cycling routes to Gravesend or Meopham - we
are car dependant here!

More traffic congestion at junctions in and out of Istead Rise
along the A227 and on New Barn Road.

Increased pressure on local hospital and G.P. Surgery,
who are already at maximum capacity.

Essential farmland being lost, which is vital for
food security.

Loss of precious green belt and natural habitats with
permanent catastrophic environmental consequences.
Reduction of available space at local schools and
colleges,
uncertainty around water supplies

Plan is inappropriate in size and does not benefit
or reflect the needs for local people
