I wish to **object** to planning application number **20260649** for the reasons stated below:

The infrastructure cannot support it. The local doctors surgery is already oversubscribed. The current roads and pavements are already in a disgusting state which more traffic will make worse. With the lack of public transport it will probably mean two cars for every new house meaning another 200 cars using the droveway everyday and also Istead Rise and the A227. Therefor I think Application 20260649 should be rejected.
