I wish to **object** to planning application number **20260649** for the reasons stated below:

I am objecting to the above planning on the basis; loss of greenbelt and precious farm land. Increase of traffic, effectively it will become a cul de sac & on an existing cul de sac. There are serious concerns about the water supply that currently is in jeopardy in Kent. The sewers are again of concern and have not over the years been able to manage the mass of sewage.

The houses proposed do not see the need
