I wish to **object** to planning application number **20260649** for the reasons stated below:

1. we can't sustain more homes - drs surgery is full can't take any more patients. Dentists is full also. DUTH & Medway Hospital can't cope.
2. Roads can't cope - too many people already don't add bit. not enough water to supply everyone - don't add more homes. Schools can't take any more children.
3. Transport links are very limited at Istead Rise we can't add more people & homes.
4. Don't destroy more greenbelt & wildlife this is the countryside don't build more houses on fields & greenbelt. You are destroying our environment - children will grow up in a concrete jungle & pollution.
5. Istead Rise can't cope with more people, cars, homes etc its full. Stop building
