I wish to **object** to planning application number **20260649** for the reasons stated below:

I am very concerned regarding the entrance into the pre-posed new houses as the volume of cars already in this road is extremely high, and this is the only route onto the A227 which is already a very difficult junction to join. Other concerns include local amenities that are already over subscribed ie Hospital, Doctors Surgery + local shops with VERY limited parking at all three. Water supply is also a growing concern due to our increasing Hot Climate. Please seriously take ALL the above into consideration. Thankyou.
