

31 August 2026

Objection to the following Istead Rise
Planning Application. REF: 20260649

I object whole heartedly to the proposed
building of up to 100 new homes to the rear
of the Driveway on GREENBELT AGRICULTURAL LAND.

This would be detrimental to ~~the~~ Istead Rise
and immediate local area.

- We will see even more congestion on the
Rise and A227 access.
- More pressure on resources i.e. GPs, Hospitals, schools.
- Demand on water supplies.
- Lack of safe access to stations and an
unreliable bus service.
- No provision for assisted living for community residents.
- The draft local plan for Craykeham puts forward
4 other applications for 250 homes in and
around Istead Rise together with those in
and around Meopham.

Our infrastructure / Roads etc will not
~~just~~ stand any more !!!

So No To Planning Application 20260649

Resident of Istead Rise
