I wish to object to planning application number 20260649 for the reasons stated below:

This plan to build up to 100 properties, will decimate Istead Rise, it will cause considerable destruction of already badly staffed Drs Surgeries, the public transport is 1 bus an hour, there will be too many cars, village aspect will be lost. Essential farming land lost, the increase will strain / break the electrical / gas / water supplies. The wild life of bats, foxes, birds will be severely lost. No train station nearby, Increased pressure on Drs hospitals, the area cannot take the strain, this is purely money making damnation of area, plan far too large for field, Vegetation lost. DO NOT BUILD IT !!!
