I wish to **object** to planning application number **20260649** for the reasons stated below:

- ① I feel there will be an increase in traffic causing additional congestion to that already experienced at the junctions in and out of Istead Rise on the New Barn Road and Wrotham Road (A227) to Macclesfield and Gravesend.
- ② I strongly object to the use of Green Belt and farm land being used for housing, with the consequent loss of the facility for food production and wildlife habitat.
- ③ Additional housing will put pressure on the very few facilities provided on Istead Rise, especially the GP Surgery.
