I wish to **object** to planning application number 20260649 for the reasons stated below:

① Lack of public transport therefore even more cars on roads.

② Lack of GP facilities. No NHS dentists, Overburdened local hospital.

③ No safe way to walk or cycle to station

④ No school places, ^{lots of} young families already living here

cannot obtain a school place this year Therefore more

traffic congestion to "nearby" primary schools such as

Meopham, Springhead

Cenham, Hartley - only way to get there is by car.

⑤ Water - getting worse, is shipped away already

⑥ Eroding green belt when there are brown sites in Gravesend

⑦ I use those fields almost everyday to walk my dog and

to relax from stress and anxiety. The views are lovely.

Lack of shopping facilities - last week I was trapped in Sainsburys for a whole hour as the traffic could not leave because of inadequate roads.

No entertainment, no youth club, no way to get to them.
No shops and so everything is delivered therefore even more traffic.

Losing farmland - where is our food coming from.

Noise and inconvenience whilst it's being built. The noise, mess, traffic, dust and a criminal act involving armed police whilst the flats by the GP surgery were built. Closed the bridleway too! Rubbish everywhere!
