My address & postcode:	THE DROVE WAY, ISTEAD RISE, GRAVESEND DA13 9JZ

I wish to **object** to planning application number **20260649** for the reasons stated below:

More traffic congestion causing pollution & impacting on commute time to work and school.

GP surgery and local hospitals are already at maximum capacity

and so there will be increased pressure where with the large number of new residents register?

Lack of infrastructure for a larger population eg only basic

shopping facilities with limited car parking.

Lack of public transport - no train station and incredibly limited non-daily bus service.

No safe walking or cycling routes to Gravesend or Medopham - you need a car to get around.

Reduction of available spaces at local schools and colleges

- how will current residents obtain placements.
