I wish to **object** to planning application number **20260649** for the reasons stated below:

The plan does ^{not} benefit the local residents/community - we do not need this many houses - we have already had a block of flats just completed and they are not right for young first time buyers - it would just be people coming from other areas.

We cannot keep building on our greenbelt. The wildlife consequences are permanent. We need our farm land. Once it is gone its gone forever. Build on brown belt - there are plenty of areas locally ~~that~~ need rejuvenation.

Our local surgeries and schools are already over -

crowded. You cannot get appointments within a short timescale - they cannot cope with more people.

We only have a small shopping area and the carpark for this is already extremely busy & prone to accidents.

There is no public transport in this area - it is virtually non-existent and not fit for purpose!
