My Title & Full Name	[Redacted]
My address & postcode:	[Redacted] Fairview Road, Istead Rise DA13 9DR

I wish to object to planning application number **20260649** for the reasons stated below:

How can this application ever be considered as a good plan?

Traffic in Istead Rise, especially in The Drove Way will be horrendous + very dangerous during the building + afterwards.

Istead Rise is at full stretch without more people as the surgery is at full capacity. The school, dentist + Darent Valley Hospital are all at full stretch. With the climate changing, + getting hotter, where will ~~the~~ extra water come from? We need reservoirs not more houses on our greenbelt land. Nothing should be built on greenland.

Istead Rise has a shocking + virtually non existant bus service. We have no public transport access without

driving - more congestion. There is no safe walking route to Maspham, Longfield or Gravesend railway stations. Wrotham Road is bad enough now. It will be catastrophic.

Our farming land is being taken away which means before long we won't have any food grown in the UK.

It is all completely disgraceful to even consider any more building in Istead Rise.
